CLASS B ADVENTURE VANS

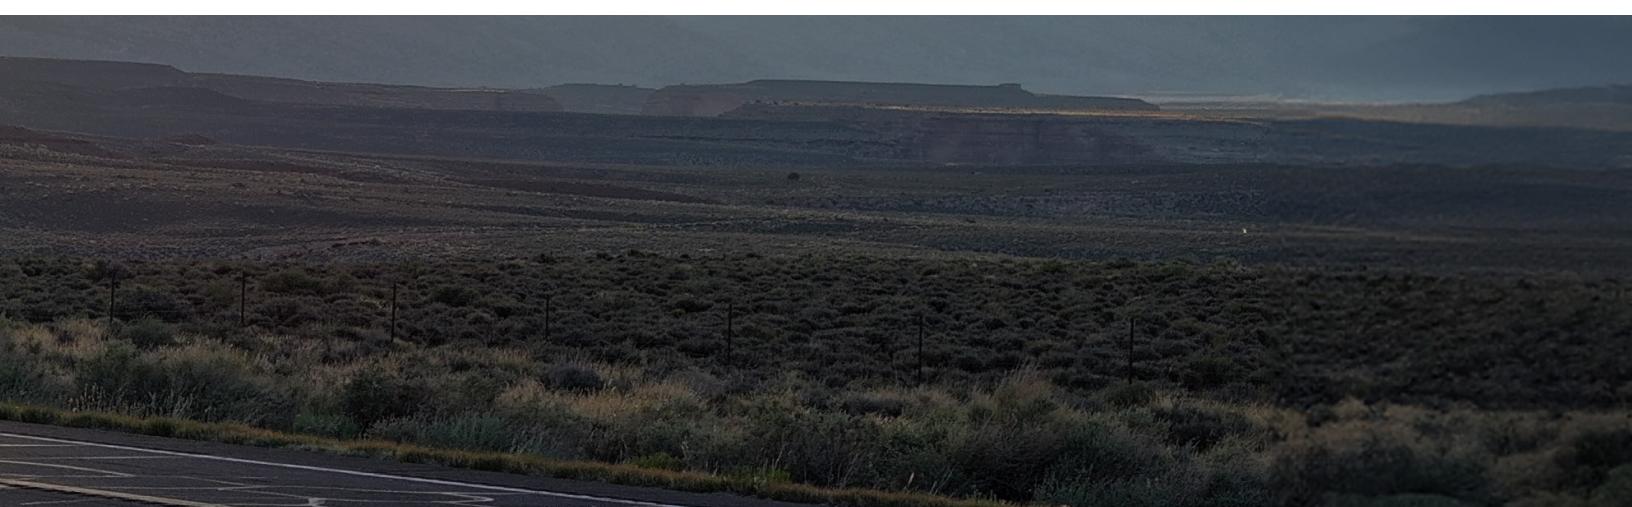

GRAND DESIGNTM
RECREATIONAL VEHICLES

LINEAGE™ SERIES VT

The open road calls. Remote trails beckon. **Lineage Series VT** answers with unbridled freedom. This adventure van is built on the Ford Transit® AWD platform, offering true off-grid capability with the safety and reliability of a fully RVIA-certified all-wheel drive motorhome,

This isn't just a van—it's your launchpad for life beyond limits. Chase powder days, work from desert sunrises, or discover trails unknown—Series VT adapts as fast as your plans change. We didn't join the van life movement—we're revolutionizing it with innovation that matches your adventurous spirit. Your story is ready to break free. Series VT hands you the keys to unleash it.

DIG INTO THE INNOVATION

RVIA CERTIFIED AWD ADVENTURE VAN SLEEPING 4

Grand Design RV revolutionized what is possible on an AWD adventure van. Exclusive new pop-top technology allows comfortable living and sleeping space for four. Our RVIA certification and FMVSS pull tested seatbelt positions means safer systems, easier financing & insurance, more campground access, and stronger resale value, it's built to explore, built to code, and built ready for the road.

FULLY INTEGRATED & VENTILATED POP-TOP (OPTIONAL)

Leading the industry as the first manufacturer to integrate pop-top functionality with proven Ford Transit platform. The expanded space features a 47" x 76" bed, skylight or Maxxfan Deluxe, wrap-around window and thoughtfully LED lit interior to elevate your level of comfort while connecting with nature. All in addition to the ducted AC vent, providing a 20 degree temperature delta from pop-top to outside.

*Tow Hitch not included with pop-top option.

VERSATILE ADVENTURE-READY SAFARI ROOF RACK

A versatile one-piece roof rack system with an integrated Sport Deck allows for endless possibilities for gear storage and power for your adventures. Removal of the traditional roof-mounted AC provides numerous options. The standard Sport Deck setup comes with two 180W flexible solar panels (360W total), with ample space for solar expansion on the roof for the intrepid travelers. The optional roof pop-top touts a flexible 300W solar panel and smaller Sport Deck.

STEALTH SPLIT 48V AC SYSTEM

Stealth Split 48V AC System revolutionizes van comfort by moving AC components off your roof to save space while delivering superior cooling at 20K BTU Capacity in near silence.

AQUAHAVEN RAINSHOWER SYSTEM

The Aquahaven Rainshower System is fully convertible, allowing you to adjust the space from living room to shower to suit your needs. The venting window, expanded shower height, luxe rainfall shower head and flexible hidden drain bring the comforts of home without typical constraints. Just close the retractable doors and look up.

GAS-POWERED FORD ECOBOOST® ENGINE WITH 10-SPEED TRANSMISSION

The Ford Transit® 350 with upgraded 3.5L EcoBoost twin-turbo V6 engine provides an impressive 310 horsepower and 400 lb-ft of torque. The perfect choice for those needing extra power for passing, climbing mountains carrying plenty of cargo.

INVISACOOK™ UNDERMOUNT INDUCTION COOKTOP

Conserve counter space with an industry-first Italian porcelain countertop featuring a built-in undermount induction cooktop that allows you to seamlessly cook.

48V/51V LITHIONICS SYSTEM

The industry leading 48V Lithionics system delivers reliable power for longer adventures away from shore power – up to 3 days with AC*. Standard roof rack battery = 8,448 watt-hours, Pop-top option = 5,120 watt-hours. Every build is prepped for a quick and easy second battery installation. Ford Factory dual alternators provides up to 35Amps and 1,800Watts charging at idle and 40Amps and 2,000Watts at highway speeds.

*16 hours of continuous AC run time tested with optional second battery.

54" X 80" EAST/WEST FLIP-UP BED

The innovative 54" x 80" East/West flip-up bed design provides residential comfort while maximizing valuable living space.

PANORAMIC DOUBLE-PANE SKYLIGHT

Industry-first High-impact resistant, double-pane acrylic skylight developed and manufactured in Europe provides an immersive experience with exceptional optical and thermal performance on the road, with 10-year UV protection against fade and discoloration.

11.5' GIRARD AWNING WITH CUSTOM MOUNTING

The extended 11.5' Girard awning with specialized mounting ensures full sliding door coverage for optimal shade while eliminating gaps between the van and awning to reduce water intrusion. Full Solar Awning Option available (Up to 720W)

GRAND DESIGNTM

RECREATIONAL VEHICLES

You'll find that your experience with Grand Design is different.

With quality at the foundation of everything we do, we do more. We pay attention to detail, we focus more on our customers, we perform more rigorous inspections, we have better coverage with our warranties and we hire more experienced craftsmen.

When it comes down to it, we do more of what matters so that you can have the experience of a lifetime, every time.

Go beyond just camping. Have an adventure. Take that trip of a lifetime. We'll be there with you every step of the way.

MORE OF WHAT MATTERS

— QUALITY —

- Quality checkpoints during manufacturing
- Final finish inspection
- Pre-Delivery Inspection (PDI) area where all coaches are put through a rigorous 300+point inspection checklist before shipping to a dealer

— SERVICE —

- State of the Art motorized service center
- Service Response Team (SRT) in the field
- Expansive dealer network
- The best warranty coverage in the industry

— COMMUNITY —

38 rallies a year across the US and Canada. Each rally gives you the opportunity to volunteer in the community, attend seminars, have work done on your coach, and have fun with your Grand Design family!
