

OMEGA

FIFTH WHEEL FRAME

As part of our unwavering commitment to our customers, Grand Design RVs undergo continuous product improvement and testing to ensure we are delivering the best-in-class products our customers expect. The Omega Fifth Wheel Frame by Lippert Components is on our 2026 Reflection, Solitude, Influence, and Momentum fifth wheel models and incorporates several upgrades, reinforcements and support features to ensure optimal stability.

Grand Design RVs are more stable and more versatile than ever before.

INDUSTRY-LEADING CUSTOMER WARRANTY

We are so confident in our frames that we offer an industry-leading, fully transferable 5 year limited warranty. This limited frame warranty is retroactive five years to date of original purchase and is transferable to subsequent owners for the duration of the warranty. We stand behind our design innovations, whether you bought your RV second-hand or are a long-time Grand Design owner, we want you to be confident in the quality of your coach.
