Reflection's combination of luxury, value, and towability in one amazing package continues to exceed the expectations of our retail customers. Our industry-leading pursuit of quality and commitment to building around the needs of our retail customers is what drives Reflection to the top of its class.
CONSTRUCTED TO A SUPERIOR STANDARD

ARCTIC 4-SEASONS PROTECTION PACKAGE

FULLY LAMINATED WALLS
Sidewalls, rear wall, slide room endwalls, and slide room roof are all laminated construction with rigid foam insulation. Many competitors use soft fiberglass insulation in the rear wall and slide rooms that can settle over time and leave uninsulated air gaps. ❧ R-11 on bed slide models

DOUBLE INSULATED ROOF & FRONT CAP
A layer of fiberglass insulation and a layer of radiant foil insulation covers the full length of the roof. Grand Design goes the extra mile by extending both the radiant foil and fiberglass insulation layers from the roof, and wraps them all the way around to the bottom of the front cap.

MAXIMUM HEATING POWER
A high performance furnace and fireplace combine to deliver 40,000 BTU’s or more of heating power.* ❧ (Model Specific)

MAXIMUM FUNCTION
Heated Holding Tanks
Heated & Enclosed Low Point Drains
Heated Utility Center & Storage Bay (FW only)
12 Volt Heat Pads on all Holding Tanks
Dual Attic Vents
Enclosed Gate Valves

DOUBLE INSULATED FLOOR
The heated underbelly features a layer of radiant foil insulation and the main floor another layer of fiberglass insulation. The slide room floors are also insulated with radiant foil. (R-24)*

INSULATED GOOSENECK
A layer of fiberglass insulation under the gooseneck is a place often forgotten by others.

HEAVY DUTY INSULATED BAGGAGE DOORS

Reflection's design has been put to the test in extreme temperatures ranging from ZERO to 100+ degrees. Third party extreme cold testing showed that the Reflection remained functional and achieved very comfortable temperatures.

Note: Testing was performed in a temperature controlled chamber, with temperatures ranging from -4°F to +101°F, and does not account for variables such as wind, humidity, and altitude. Due to the number of potential variables, temperatures reported during testing may differ from temperatures achieved during actual use of the unit in nature.

*Equivalent R-Value
**Racetrack Ducting**
True Racetrack Ducting extends past each AC unit to allow for uninterrupted airflow from the front to the back of the coach.

**23% More Airflow Than Average of Leading Competitors**

These end loops in the ducting are essential for true “racetrack” movement.

**Typical Ducting**
Typical ducting provides partial airflow with less cooling efficiency and creates airflow collision in the center.

---

**Raising the Bar in Customer Service & Warranty**

**3 Year Limited Structural Warranty**
Every Grand Design RV is backed with a class leading 3-year limited structural warranty.

**Component Supplier Warranties**
By selecting suppliers with similar philosophies, many components used on our coaches also carry an extended warranty through the component manufacturer.

**Axles (5 Years)**
**Tire Warranty**
(5 Years w/12 Month no questions asked replacement for manufacturer defects)

**Exterior Graphics (5 Years)**

**Roof Covering (12 Years)**

---

**Magnetic Storage Door Catches**

**6' Coiled Hose Breakaway Cable**

**Motion Sensor LED Lighting**

**Oversized Tank Capacities**

**More Outlets**

**USB Ports (2)**

**Exterior Coax Sat/Cable**
**EXTERIOR & CONSTRUCTION**
- Aerodynamic Front Cap w/ Max Turn Radius and Integrated LED Lights
- Aluminum Wheels with E-Rated Tires
- 80% Tint Radius Safety Glass Windows
- Battery Kill Switch in Pass Thru Storage Area
- 30' LP Bottles w/Cover (2)
- 30" Radius Entry Door
- Outside Speakers
- Outside Shower (Utility Center) Factory Installed Roof Ladder
- Under Carriage Spare Tire and Carrier
- High-Capacity Water Pump with Interior and Exterior Switch
- Extra Large 2" Fresh Water Drain Valve
- Gel Coated Fiberglass Exterior
- Walk on Roof Deck w/ Residential 5" Truss Rafters (16' O.C.)
- Fiberglass and Radiant Foil Roof and Front Cap Insulation
- One-Piece TPO Roof Membrane with 12-Year Warranty
- Easy Access Low Point Drain Valves
- Laminated Aluminum Framed Slide Walls & Rear Wall (R-9)
- Laminated Aluminum Framed Roof and End Walls in Slide Rooms (R-9)
- Aluminum Framed Main Floor (R-30)
- Residential Wood Framed Roof (R-40*)  
  * Equivalent R-Value

**KITCHEN & INTERIOR**
- Gunstock Fixtures and Hardware
- Deep Undermount Kitchen Sink
- Hardwood Galley Slide Trim Moldings & End Caps
- Hardwood Panel Refrigerator Fronts
- Hand Rubbed Maple Cabinet Doors
- Solid Hardwood Drawer Fronts & Solid Core Cabinet Stiles
- Pre-drilled & Screwed Cabinetry
- Ball Bearing Full Extension Drawer Glides
- Tri-Fold Hide-A-Bed Sofa
- Large Panoramic Slide Room Windows
- Premium Congoleum Flooring  
  (Dustless Flooring Throughout Living Area)
- Residential Style Window Treatment
- LED Lighting Throughout with Motion Sensors (Key Areas)

- Heated Wall Hugger Theatre Seats w/ Massage & LED Lights
- Heated Wall Hugger Theatre Seats (Most Models)
- Large Panoramic Slide Room Windows
- Premium Congoleum Flooring
- Ductless Flooring Throughout Living Area
- Residential Style Window Treatment
- LED Lighting Throughout with Motion Sensors (Key Areas)
- Roller Shades

### Peac of Mind Package
- 90 Degree Turn Radius Pin Box (Turning Point)
- 6' Coiled Breakaway Cable
- Aluminum Entry Steps
- 8 cu.ft. Double Door Refrigerator
- Residential Pulldown Sprayer Faucet
- Deep-Seated Stainless Steel Sink with Cover
- Residential Cabinetry
- Universal All-In-One Docking Station
- 17.8 Gal./Hr. Quick Recovery Water Heater
- Black Tank Flush
- Baggage Doors with Magna Latch
- Walk-on Roof
- Aluminum Rims with Nitrogen Filled Radial Tires
- Metal Slam Latch Front Cargo Doors
- Upgraded 2" Receiver Hitch w/ 4 Prong Connection

### Power Package
- One-Touch Automatic Leveling System
- HDMI/AM/FM/CD/DVD Bluetooth Stereo System
- High Definition LED Television w/Swing Arm (Living Area)
- Exterior Cable Hookup (Sidewall)
- 50 AMP Electrical Service
- Wired and Framed for 2nd A/C in Bedroom
- Detachable Power Cord with LED Light
- 15K BTU Ducted A/C
- Adjustable Power Awning w/ LED Lights
- LED Interior Lighting
- Motion Sensor Pass Thru / Entry Lighting (LED)
- Roof Mounted Solar Prep
- 30" Stainless Steel Microwave

### Arctic 4-Seasons Protection Package
- 12v Heat Pads on Holding Tanks
- 35K BTU High Capacity Furnace
- Thermostatically Insulated Underbelly (Under Holding Tanks)
- Heated and Enclosed Underbelly w/Circulating Heat
- Heated Pass Thru Storage Area and Enclosed Duct Valves
- Zero Degree Extended Season Enjoyment
- EZ Winterization (Value in Utility Center)
- Insulated Slide-out Floors
- Dual Attic Vents
- Double Insulated Roof and Front Cap

### Bed & Bath
- King Size Wardrobe

* Based on average weight of standard build in lbs. Hitch to rear FRESH GRAY BLACK (GAL)
Thank you for taking the time to tour our coach.

We would like to share what sets Grand Design RV apart from all other RV manufacturers and why this difference is important to you.

My close friends and I were part of an ownership team at a travel trailer, fifth wheel company that grew to become one of the largest RV manufacturers in the world. While proud of this accomplishment, it became difficult to stay in touch with customers, employees, and ultimately the quality of the final product. It became obvious, there was a better way.

In 2012 we started with a mission to build a better RV company. A company with a culture that desires a long-term, personal connection with customers, employees and dealers - that company became Grand Design RV. Our business model of doing the right thing has led us to many years of unparalleled growth.

At Grand Design we are customer centered and everything we do daily revolves around you. Our goal is simple – continue to lead the industry with quality, innovative products while striving to improve our customers’ RV experience before, during and after their purchase. We strive for nothing less than customers for life and I would be honored to personally welcome you to the Grand Design family.

Warmest Regards,

President / CEO / Co-Founder

---

**LONG TERM VALUE**

Everything we do at our company is designed to build long-term value in what we offer our customers. “More features and superior value for your dollar.”

**CUSTOMER CENTERED**

Our focus, from the very first day we opened our doors, revolves around our customers. Your satisfaction is our future. GDRV4Life!

**STAYING CONNECTED**

Magic happens when the CEO and Senior Management actively work with the production facilities to help build the team and develop products.

**EXPERIENCED WORKFORCE**

Our local workforce has been hand-picked and has an excellent reputation for second-to-none industry craftsmanship.

**RAISING THE QUALITY BAR**

We put every Grand Design RV through a series of quality inspection gates during the manufacturing process. Once completed, the unit undergoes a comprehensive “final finish” inspection. At this point, most manufacturers ship their coaches to the dealer for retail sale. We aren’t most manufacturers. Every one of our coaches is moved to a PDI (Pre-Delivery Inspection) area where they are put through a rigorous 300+ point inspection checklist. It is only after this PDI that we certify a unit ready to ship to our dealers.

---

**SUPERIOR SERVICE**

Anything built by humans that travels down the open road is subject to issues. It’s how those issues are addressed that makes Grand Design so special to our owners. Visit the independent owners page on Facebook (Grand Design RV Owners) and see for yourself. We take care of our customers after the sale. An informed customer will be a Grand Design customer!

---

**CLASS LEADING WARRANTY**

We back every one of our coaches with a 3-year limited structural warranty.
