MAXIMUM INSULATION

1. THERMAL ROOF DESIGN
   Fiberglass insulation and a layer of radiant foil insulation cover the roof. Grand Design goes further by extending both insulation layers the full length of the roof and around to the bottom of the front cap. To maximize the effectiveness of the insulation, a vented attic allows condensation to escape the roof structure.

2. FULLY LAMINATED WALLS
   Sidewalls, rear wall, slideroom ends, and slideroom roof are all welded aluminum framed and laminated with rigid foam insulation. Many manufacturers use wood framing and soft fiberglass insulation in the rear wall and sliderooms that can settle over time and leave uninsulated air gaps.

3. TRIPLE INSULATED MAIN FLOOR
   The underbelly is lined with a radiant foil insulation barrier and then covered with fiberglass insulation. The main floor enhances the R-Value with yet another layer of fiberglass insulation.

4. RAIL-TITE UNDERBELLY SEAL
   Rigid aluminum rails are fastened around the perimeter of the underbelly to keep the corrugated barrier up tight against the frame for a better seal from the elements.

5. INSULATED GOOSENECK
   Fiberglass insulation under the goose neck is a place often forgotten by other manufacturers.

6. 1.5” INSULATED BAGGAGE DOORS
   Rigid foam insulation lines the inside of our heavy-duty baggage doors.

MAXIMUM FUNCTION

1. 40,000 BTU OF HEATING POWER
   A high-performance furnace and fireplace combine to deliver the heat.

2. EVENFLOW HEATING SYSTEM
   Vertically mounted heat vents are integrated into the cabinet bases. These vents push hot air from front to back (rather than straight up) and eliminate the need for floor vents that can collect dirt and debris, and are easily broken.

3. HEATED UNDERBELLY & STORAGE BAY
   Dedicated heat ducts run to both the underbelly and storage bay. 12-volt heat pads on each holding tank, and the enclosed utility center with low-point drains provide a functional water system— even in extreme cold.
RAISING THE BAR IN CUSTOMER SERVICE & WARRANTY

Every Grand Design RV is backed with a class leading 3-year limited structural warranty. By selecting suppliers with similar philosophies, many components used on our coaches also carry an extended warranty through the component manufacturer.

- Floor Decking (25 Years)
- Exterior Graphics (5 Years)
- Axles (5 Years)
- Chassis (3 Years)
- Tire Warranty (5 Years w/12 Month no questions asked replacement for manufacturer defects)
- Roof Covering (12 Years)

EXCLUSIVE! SuperChassis

101" Wide Body Chassis - A full 5” wider than many coaches in its class, the wide body chassis allows for more livable floor space with deeper slide rooms, wider sofas in rear lounge models, and space saving sliding pocket doors into the bathrooms...all at a shorter towing length.

Wide Rail Design - Heavy duty t-beam main rails are placed further outward on the chassis. This wider rail placement provides a more stable jack stance, and allows for the slide room gear packs to be enclosed inside the frame rails (rather than outside).

STEALTH 3+ SMART A/C SYSTEM

- Ultra Quiet
  - Up to 2x quieter than the competition.
- MAXIMUM Available Cooling Power
  - Dual 15,000 BTU A/Cs and prep for a 3rd A/C
- Airtite Connectors
  - All duct pieces are securely fastened together using special connector brackets.

Racetrack Ducting

True Racetrack Ducting extends past each AC unit to allow for uninterrupted airflow from the front to the back of the coach.

23% More airflow than average of leading competitors

*COMES WITH 3RD A/C PREP ONLY (NOT AVAILABLE 29'30RL)
SOLAR PREPPED
The 10 gauge wiring is already in place with industry standard MC4 connectors throughout to ensure maximum compatibility.

10 Gauge Wire  MC4 Connectors

CRE3000 SUSPENSION SYSTEM
When it comes to suspension performance, it's all about suspension travel. Increased travel means smoother towing, improved towability and better protection from damaging road shock.

ENTRY STEPS W/ STRUT ASSIST
- Adjustable feet for stability on uneven terrain
- Provides sure footing
- 500 lb weight capacity
- Eliminates bouncing in and out of your RV
(Floorplan Specific)

POWER SEATS W/ HEAT & MASSAGE
NO CARPET IN SLIDES
HUGE UNOBSTRUCTED PASS-THRU STORAGE
ROCKFORD SOUND SYSTEM
HEAD UNIT & INTERIOR/EXTERIOR SPEAKERS
17.5" H-RATED COOPER TIRES

HIGHLIGHTED OPTIONS

ADD THE OPTIONAL SOLAR PACKAGE
- 300W Solar Panel
- 30 AMP Controller
- 2000W Inverter

ADD THE OPTIONAL 5500W GENERATOR
- When you're away from home and campground RV hookups, on the road or at a remote campsite, Onan RV generators provide all the comforts and convenience you want in your home away from home. (Generator Prep Option required)

MORE OPTIONS:
- DUAL Pane WINDOWS
- GENERATOR PREP
- KING BED
**THE RUBBER PIN BOX**

The MORyde pin box system utilizes a unique rubber shear spring to positively deal with rough towing and road shock.

**SOLAR PREPPEP**

The 10 gauge wiring is already in place with industry standard MC4 connectors throughout to ensure maximum compatibility.

**HIGHLIGHTED OPTIONS**

**ADD THE OPTIONAL SOLAR PACKAGE**

- 300W Solar Panel
- 30 AMP Controller
- 2000W Inverter

**UPGRADE TO 8K AXLES**

We couple 8K axles with 17.5” H-rated Cooper tires to give you the most carrying capacity in the industry!

**UPGRADE TO DISC BRAKES**

Upgrade to Disc Brakes to increase stopping power and safety on the road. Our tests show disc brakes stop 40 ft shorter at 50MPH than the standard drum brake.

**THE ULTIMATE BARBECUE EXPERIENCE**

Optional Pull-Out Kitchen with Sink, Griddle, Drawers and pivoting table.

**FULL BODY PAINT OPTIONS**

- CABERNET
- PLATINUM
- CHAMPAGNE

Rev 10.14.20
Thank you for taking the time to tour our coach.

We would like to share what sets Grand Design RV apart from all other RV manufacturers and why this difference is important to you.

My close friends and I were part of an ownership team at a travel trailer, fifth wheel company that grew to become one of the largest RV manufacturers in the world. While proud of this accomplishment, it became difficult to stay in touch with customers, employees, and ultimately the quality of the final product. It became obvious, there was a better way.

In 2012 we started with a mission to build a better RV company. A company with a culture that desires a long-term, personal connection with customers, employees and dealers – that company became Grand Design RV. Our business model of doing the right thing has led us to many years of unparalleled growth.

At Grand Design we are customer centered and everything we do daily revolves around you. Our goal is simple – continue to lead the industry with quality, innovative products while striving to improve our customers’ RV experience before, during and after their purchase. We strive for nothing less than customers for life and I would be honored to personally welcome you to the Grand Design family.

Warmest Regards,

SUPERIOR SERVICE

Anything built by humans that travels down the open road is subject to issues. It’s how those issues are addressed that makes Grand Design so special to our owners. Visit the independent owners page on Facebook (Grand Design RV Owners) and see for yourself. We take care of our customers after the sale. An informed customer will be a Grand Design customer!

CLASS LEADING WARRANTY

We back every one of our coaches with a 3-year limited structural warranty.
